**CITY COUNCIL BUDGET WORK SESSION**

NOTE: A Work Session is used to explore matters of interest to one or more City Council Members or the City Manager for the purpose of giving staff direction into whether or not such matters should be placed on a future regular or special meeting of the Council for citizens input, City Council deliberation and formal City action. At a work session, the City Council generally receives informal and preliminary reports and information from City staff, officials, members of City committees, and the individual or organization proposing Council action, if invited by City Council or City Manager to participate in the session. Participation by individuals and members of organizations invited to speak ceases when the Mayor announces the session is being closed to public input. Although Work Sessions are public meetings, and citizens have a legal right to attend, they are not public hearings, so citizens are not allowed to participate in the session unless invited to do so by the Mayor. Any citizen may supply to the City Council, prior to the beginning of the session, a written report regarding the citizen's opinion on the matter being explored. Should the Council direct the matter be placed on a regular meeting agenda, the staff will generally prepare a final report defining the proposed action, which will be made available to all citizens prior to the regular meeting at which citizen input is sought. The purpose of this procedure is to allow citizens attending the regular meeting the opportunity to hear the views of their fellow citizens without having to attend two meetings.

**CALL WORK SESSION TO ORDER** Mayor calls the Work Session to order, States the date and time, State Councilmembers present, and Declares a quorum present. \*\*
